Budget for 2016-17 School Year

After a nice intro, the meeting was called to order by Jen Willis. Copies of the agenda and budget were passed out. She introduced herself and thanked everyone for coming. Jen discussed the process of voting on our working budget in May, meeting over the summer to make adjustments to our new budget for the year, and presenting that to our board of directors at our first PTSA meeting on 9/9/16. She then went over the budget approved at that meeting, highlighting certain line items related to student programs like Student Enrichment and PBIS. She also praised the MPMS teachers and staff, and pointed out the Grants and Staff Appreciation line items. No one had questions. Jennifer Middleton motioned to approve budget as presented, which was seconded by Carrie White. None opposed. Budget approved.

Jen thanked everyone for their support, and passed the mic to Mr. Dabbs so the night's festivities could begin.

Meeting adjourned 6:26pm
